Director of Athletics - Richard W. Freeman

September signals the return to school of thousands of active young minds and with it, the start of another Football season. Coach Arnott and his staff have had a very active off-season and the results are apparent with record numbers of talented young men vying for spots on the Gryphon roster. Good luck to all the participants: coaches, players, staff, parents and fans as the 2002 season kicks off. The University of Guelph has a proud history in Intercollegiate Football and we invite you to share in the excitement and fun.

MEET THE HEAD COACH

Tom Arnott joined the Gryphons' staff in February 2001 as Interim Head Coach after an 11-year career at York University that saw him receive OUA Coach of the Year honours on two occasions. In December 2001, Tom was awarded the full-time Head Coaching position. Tom played for the Gryphons from 1973-77, and was named the Wildman Trophy winner as the school's Outstanding Graduating Senior Player in 1976. He graduated with a Bachelor of Science (Human Kinetics) - Honours degree. "Tom brings extensive experience in Recruiting, Marketing, Alumni Relations and Program development to the Gryphon Football program. He has tremendous pride for his alma mater, is a skilled teacher, proven leader and a compassionate human being whose commitment to providing a high level student-athlete experience is evident", states Athletic Director, Richard Freeman.

TOM ARNOTT

2002 PREVIEW

2002 has been coined the "year of transition" in which the Gryphons hope to improve on their 3-5 mark of last season. According to Head Coach, Tom Arnott, who is in his second year at the helm, the Gryphons have had "a very aggressive and intense recruiting program and are very pleased with the results". Only about six players from last year's team were pretty much guaranteed their starting role. On August 21st, there were 110 players in camp. Two-a-day on-field practices commenced on August 22nd.

Commenting on the 2002 campaign, Arnott stated, "there will be substantial changes to our systems, particularly the running game. There will be more emphasis on balance and a lot of different formations than last year."

The Gryphons will implement a different base defensive alignment that will be anchored by 5th year middle linebacker and OUA All-Star, Mike Hradil and 4th year inside, Scott Hamilton. The defensive secondary will be very competitive for a starting position. Expect to see up to four new faces starting in the secondary.

Offensively, the Gryphons will make the move to a more balanced multiple formation offence. The receiving corps should be ranked at the top of the league with All-Canadians, Mike Palmer and Jonathan Bohnert, at the outside receiving positions.

The biggest question mark is who will deliver the ball to these receivers. The quarterback position is up for the taking but 2nd year player, Mike Drake, will be the early choice to lead the team at this position. Last season, Drake played backup to graduate, Tyson Beach. Three of last year's linemen return in Anthony Mason, Mike Dougherty and Blair Davenport.

Kicker, Norm Nasser, will also play an important role in the Gryphons' success.

League play kicks off Monday, September 2nd at York at 2:00 p.m. The Gryphons are at home September 7th to Toronto. On September 21st, the 2002 Homecoming festivities feature OUA finalists, the Ottawa Gee Gees. October 5th Guelph hosts Waterloo and October 19th the home schedule winds up with Laurier.

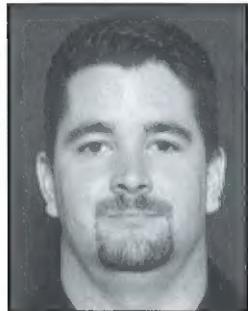

MEET THE COACHING STAFF

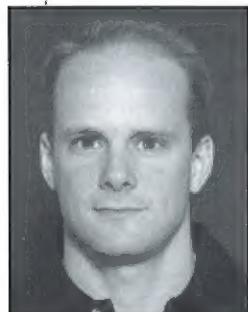

Brian Cluff (Defensive Coordinator and Linebackers): Brian assumes a full-time coaching position as the defensive coordinator as well as that of linebacker coach. Brian played for the Gryphons from 1982-86. Highlights of his career include starting on the front four that led Guelph to the 1984 Vanier Cup title as well as starting in 50 games over 5 years. In 1986, Cluff was drafted to the Toronto Argonauts of the CFL. Coaching highlights include the Yates Cup titles in 1992 and 1996. Brian is a certified Level III member of the National Coaching Certification Program and conducts clinics during the off-season.

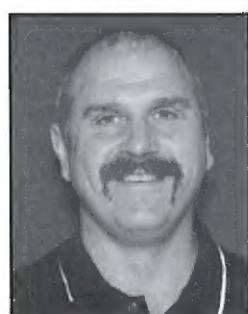

Bill Brown (Defensive Backs): Bill returns for his 4th season with the Gryphons on the defensive side of the coaching staff as defensive back coach. Bill's list of accolades as a former Gryphon include that of the University of Guelph's 1994 Rookie of the Year and in 1996 he was a member of the Yates Cup Championship team, an OUA All-Star and the OUA interception leader. He also holds the record for the longest interception for a touchdown with 81 yards that same year.

Shawn Hagerty (Defensive Line): Shawn, a BSc. (Engineering), Honours graduate of the University of Guelph and a professional Engineer with Polycon Industries in Guelph, resumes his role coaching the defensive line for his third consecutive season with the Gryphons. Shawn was also a member of the 1992 Yates Cup Championship team and is a former two-time OUA All-Star and CIAU All-Canadian.

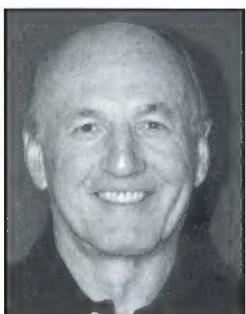

Rob Kitching (Quarterbacks): Rob returns to the coaching ranks for his third season and is responsible for the quarterbacks. Rob, a Bachelor of Commerce graduate, played for the Gryphons from 1991-94 and was quarterback of the 1992 Yates Cup championship team.

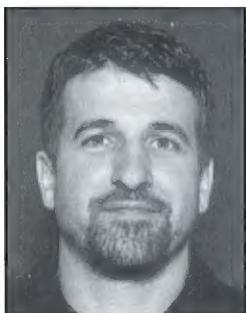

John Malinosky (Tight Ends): John is a former CFL veteran. Over his 10-year career in the CFL, he had stints with Calgary, Winnipeg, Toronto and Hamilton. In 1983 and 1986 he competed in the Grey Cup with the Argos and the Tiger-Cats respectively. John is a new addition to the Gryphons' staff as tight end coach. He is an owner of Tim Horton's in Acton.

MEET THE COACHING STAFF

Reg Valentinuzzi (Offensive Line): Reg, a retired high school teacher and former Physical Education department head at Centennial Secondary School in Guelph, will coach the offensive line in 2002. Reg's involvement with the Football program at Guelph spans more than two decades. Throughout this time period, Reg has produced numerous OUA All-Stars and CIAU All-Canadians and was a member of the 1984 Vanier Cup coaching staff under John Musselman.

Steve Viveiros (Running Backs): Steve played football at McMaster from 1990-95 and graduated with an Honours B.A. in Geography. Upon graduation, he began his coaching career at the high school level. Currently, a Grade 8 teacher at Gateway Drive Public School in Guelph, Steve joins the Gryphons as a running back coach.

Jeff Webster (Receivers): Jeff enters his third season as a Gryphon offensive assistant and will work with the receivers. After his playing days, Webster spent 5 seasons coaching high school and minor football in Toronto working on both the offensive and defensive sides of the ball. An undergraduate student pursuing his B.A. degree in English, Jeff has also spent the last two summers as offensive coordinator of Guelph's Junior Ontario Varsity Football League team.

Dean Mougenot (Defensive Line): Dean is in his second season with the Gryphons. He will work on the defensive side of the ball assisting with the defensive line and linebackers. Dean played his football at Concordia University.

FRIENDS OF GRYPHON FOOTBALL

Producing a successful football program involves several different aspects. One of the key components is in the area of moral and financial support of the alumni and the business community, referred to as the "Friends of Gryphon Football".

The "Adopt A Gryphon" program supplies the athletes with needed funding to enhance the players' development. This funding serves to cover such costs as shoes, training equipment, and any other expenses that may be subsidized under the rules and regulations of Ontario University Athletics.

Gryphon Football would like to thank the following sponsors for their contributions in kicking off this new fundraising program which will serve to build on our proud football tradition.

ADOPT A GRYPHON SPONSORS

Michael Brock - Caribou Creek Restaurants

Kristina Curren - Gryphon Fan

Dr. WM. Dukelow - Chiropractic Care Centre

CONNECTING WITH THE COMMUNITY

The Big Brother Association is a non-profit, non-sectarian youth guidance agency. It promotes the healthy development of children from single-parent homes by matching them with well-screened adult volunteers, who serve as friends, mentors and role models.

One adult and one child are "matched" as a Big Brother by the Association's professional staff, which then provides on-going supervision as the special friendship develops. A friendship which typically grows to include all of the caring and sharing activities found in healthy parent/child relationships.

Each year the Guelph and Wellington County Big Brothers Association holds a Bowl For Kids to help raise money for Big Brothers of Canada. This year marked the 27th Annual fundraiser with a goal of \$65,000. Members of the Gryphon Football team participated in the kickoff on Saturday, February 2nd, 2001 bowling with Big and Little Brothers. The athletes who participated managed to raise funds in excess of \$600. 2001 Wildman Trophy Winner, Sean Spender, the organizer of the football athletes who participated in the event stated, "we had a really great time and are thrilled to have been involved in a fundraiser for such a worthy cause."

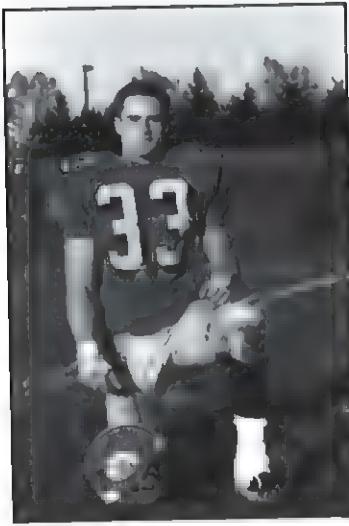

WILDMAN TROPHY WINNERS

The Wildman Trophy is presented to a senior or graduating football player who has exemplified to the highest degree the traits of sportsmanship, leadership, gentlemanly conduct and who has maintained good scholarship while at the University of Guelph.

The 67th winner of the Ted Wildman Trophy is Sean Spender.

Sean has been a team leader both on and off the field. He captured Guelph's Don Cameron Trophy for 1999-2000 (awarded to the student showing the greatest progress in athletics during his first three years at the university). Scholastically, the Bachelor of Science student who majored in Plant Biology achieved academic All-Canadian status.

In 2001, the All-Canadian made 46 tackles, recovered 4 fumbles and intercepted 2 passes for 30-yards.

This past February, Sean spearheaded the Football Gryphons participation in a community "Bowl for Kids" fundraiser for Big Brothers of Canada.

1915-2002 LETTERMEN

Note: The following is as complete and accurate as we have been able to make it. The material has been gathered from the Libranni and Athletics Banquet Programs. Although the criteria has changed over the years, since 1970, an athlete must participate in 75% of an intercollegiate football season. Corrections and additions will be made if proper documentation is provided.
